

DSR - Daily Spelling Routine

Beginning this week we will start our Daily Spelling Routine. Every week we will have a new list of spelling words to learn, with each day of the week corresponding to a particular assignment. The entire routine (worth three homework grades) is completed in a separate composition or spiral notebook (not loose paper) and is collected on Friday before the assessment. Because practice makes perfect, students should follow the daily pattern below and not attempt to complete them all at once.

Monday - **M**ake a crossword puzzle
(like Scrabble) with all words crisscrossing

Tuesday - **T**urn each word into a work of creative art: write each word in bigger letters and with color drawings around it (try to relate to definition/meaning)

Wednesday - **W**rite a funny story using at least ten of the words (circle or underline them). Minimum length is 2-3 paragraphs. Yes, spelling counts 😊

Thursday - **T**est yourself at home (flashcards, practice dictation with friend/relative, spell out loud). Rewrite any misspelled or difficult words. Be prepared to turn in DSR and to take the Final Assessment the next day.

Friday - **F**inal Assessment. Comprised of all spelling words and dictated sentences.
